George,

I just spoke to Mike C. Apparently Quintek misjudged how long the opening process would take. They are running behind schedule and asked Mike to negotiate a 7 day turnaround with us (rather than the 5 day). Mike told them that was unacceptable, and Quintek has brought in more people to open the letters.

Bottom line there is nothing for us to audit tomorrow. No sorting will take place until late tomorrow/early Wednesday the 14th. We will head down there Wednesday morning to perform the audit. I will keep you posted.
